#### DESCRIPTION

Ovid Hazen Wells Recreational Park is a 290-acre park located west of Ridge Road (Route 27) and abutting Skylark Road in Clarksburg, Maryland. The Master Plan for Ovid Hazen Wells Recreational Park phases park development. Phase I provides active recreation facilities along Skylark Road. Phase II contains a large special recreation area with a variety of recreation facilities (many of which are dependent on the sewer that will become available in FY05 or FY06) and includes construction of an access road from Route 27. Phase III entails the development of a Natural Recreation Area along the eastern section of the park.

Phase I development is further subdivided into two parts. Phase IA development is complete and provides one baseball field, one softball field with two soccer field overlays, and parking. Phase 1B will include two softball fields, parking lots, internal access road, playground, trails, stormwater management, (including adjustments to the stormwater management for Phase 1A), landscaping, and an area set aside for possible construction of an indoor/outdoor pool complex or additional ballfield. The stormwater management for the site will be designed and constructed to accommodate future construction of the Damascus-Clarksburg indoor pool by the Department of Recreation. M-NCPPC will complete design and obtain permits for Phase 1B in FY05.

#### JUSTIFICATION

Park, Recreation, and Open Space Master Plan (PROS): A Local Land Preservation and Recreation Plan, approved by the Montgomery County Planning Board in July, 1998. The Planning Board approved the facility plan for Phase 1B in April 2000.

#### Plans and Studies

Ovid Hazen Wells Park Master Plan, 1994. Clarksburg Master Plan, 1994. Greenways-Clarksburg Master Plan Implementation Study, 1999. A review of impacts to pedestrians, bicycles and ADA (Americans with Disabilities Act 1991) will be performed and addressed by this project. Traffic signals, streetlights, crosswalks, bus stops, ADA ramps, bikeways, and other pertinent issues will be considered in the design of the project to ensure pedestrian safety.

### **Cost Change**

No change.

#### **STATUS**

Under construction.
